ALDOT plans to change three traffic intersections in downtown Elba to flashing lights with stop signs

The Alabama Department of Transportation [ALDOT] last week announced traffic plans that will be of interest to downtown Elba motorists.

A press release from ALDOT stated, "with the continued progress of the US-84 project through Elba, ALDOT will place the following signalized intersections into flash to evaluate them for possible removal no earlier than January 16, 2020. The evaluation

period will last 90 days, unless traffic dictates the signals need to return to full operation sooner. At the end of the 90 days a final decision will be made on the possible removal of these traffic signals."

The intersection marked for this traffic change are:

- Claxton Ave. (AL-87) at Simmons St. will flash yellow on Claxton Ave. and flash red on Simmons St. There will also be stop signs placed on Simmons

St.

- Factory St. at Davis St. (AL-87) will flash all red with stop signs on all approaches.

- Claxton Ave. (AL-87) at Davis St. will flash all red with stop signs on all approaches.

Officials from Elba City Hall encourage all motorists to take note of these proposed changes and travel with extra caution through the downtown area as the changes are made.

MONDAY MORNING FIRE DESTROYS WOOD-WORKING SHOP..Local firefighters, including volunteers from Elba and Five Star, worked Monday morning, Dec. 23, to extinguish a fire that destroyed Dave's Wood Working Shop, located on Coffee County Road 221 in Coffee County. No injuries were reported from this fire, but the shop was a total loss [as can be seen from the photo above].

Coffee County Commission votes during Monday morning meeting to place items on GovDeals.com for surplus sale

by Linda Hodge, Editor

The Coffee County Commission met Monday morning, Dec. 23, and other than wishing citizens a Merry Christmas, there were a few routine business items that commissioners approved.

The engineer's office had the biggest list for commissioners to consider. Assistant engineer Michael Walters presented the requests from the engineer's office.

Walters said the department had a 2012 model batwing bush hog it would like to place on GovDeals.com for sale. Commissioners voted unanimously to approve this request.

Walters noted a second older model batwing bush hog that had been replaced with a new one had been transferred to the landfill as environmental services was in need of one.

Walters said the bus shed at the Ino Senior Center has recently been replaced with a new larger one; therefore, he asked commissioners for permission to place the old one on GovDeals.com for sale. Again, commissioners voted to approve the request.

The final item presented by Walters was approval of a bid. He said the department had needed additional corrugated metal pipe for driveways and sent out bids for the product. He said the

Coffee County Residential Garbage Pickup Reminder:

low bid on this was Gulf Atlantic Culvert in the amount of \$17,402.30. Commissioner voted to accept this bid.

Environmental services director Mike Thornton reminded county citizens about the residential garbage pickup for Christmas. He said this week's normal Wednesday route would be picked up on Thursday and Thursdays normal route would be picked up on Friday.

Also, Thornton said the garbage pickup schedule would be normal for next week. He said New Year's Day would not affect the pickup of residential garbage at all.

Thornton did note that any extra Christmas overflow garbage such as cardboard or paper should be put in boxes or big plastic

bags. He said there would be extra help on the trucks to get this type of extra overflow picked up as well.

Thornton said he recommended only putting things such as cardboard or paper in the overflow bags, not food items.

County administrator Rod Morgan had only one item for commissioners to consider during Monday's meeting. He said a truck purchased several years back via a Homeland Security Grant and used to pull the county's mobile morgue could be considered surplus and sold, according to the grant rules.

Morgan asked commissioner to allow that truck to be added to the surplus list and sold. He said funds gained through this sale would be added to additional funds to purchase a new truck to pull the mobile morgue.

Commissioners voted to approve this request.

The next Coffee County Commission meeting is set for Monday, Jan. 13, at 9 a.m. in the community room of the county complex in New Brockton.

ALEA planning greater presence on roadways for extended holiday season

The Alabama Law Enforcement Agency (ALEA) will have a greater presence this holiday season by assigning all available Troopers to patrol Alabama roadways and bolster enforcement efforts to prevent traffic crashes, injuries and fatalities.

"Our goal is simply to save lives," ALEA's Secretary Hal Taylor said.

The extended holiday travel period is underway now as it began at 12:01 a.m. Friday, Dec. 20, and will continue until midnight Wednesday, Jan. 1, 2020. During this time, ALEA urges motorists to assist Troopers and their law enforcement partners across the state in promoting safety on all Alabama roadways.

The agency also is participating in the national Drive Sober or Get Pulled Over campaign, designed to curb alcohol- and/or drug-impaired driving.

When so many are traveling at this time of year, safety is key, Secretary Taylor said. Please obey speed limits, insist everyone in the vehicle buckle up, do not drive while under the influence or while distracted, and do not follow too closely.

"These driving behaviors are among the most deadly," he said. "Let's all do our part during the holiday season to keep everyone safe."

year, to #ArriveAliveAlabama."

Heightened seasonal traffic safety activities are made possible through grant funding from the Alabama Department of Economic and Community Affairs (ADECA) and the Alabama Department of Transportation (ALDOT). Additionally, for the safety of motorists and construction/maintenance crews during this season, ALDOT will suspend temporary lane closures on Alabama interstate highways from 6 a.m. Tuesday, Dec. 24, to 6 a.m. Thursday, Dec. 26, and from noon Tuesday, Dec. 31, to 6 a.m. Thursday, Jan. 2, 2020.

Wreaths Across America ceremony conducted Dec. 14th at Bethlehem Primitive Baptist Church cemetery

On a brisk, sunny day Saturday, Dec. 14, members of the Gen. Edmond Winchester Rucker 2534 Chapter of the United Daughters of the Confederacy gathered at Bethlehem Primitive Baptist Church Cemetery along with church members and guests to commemorate Wreaths Across America and honor the nation's military.

The 11 a.m. ceremony was sponsored by the Rucker Chapter and the Bethlehem Primitive Baptist Church.

Bethlehem Primitive Baptist Church dates back to 1848 and many of the graves in the cemetery are almost as old. Although built in 1848, the church had fallen into disrepair but was restored to much of its

original beauty in the late 1990s.

It sits on a beautiful hill overlooking farms and forests and in a distance the City of Elba. In the cemetery are buried many of Elba's oldest family names such as: Wise, Davis, Farris, English, Donaldson and many other well-recognized names in the area.

The ceremony began inside the beautiful, cozy church sanctuary. The church was tastefully decorated for the Christmas season with a nativity scene, Christmas trees and other symbols of Christmas.

A large wreath was set in the front center.

The ceremony began with Rucker Vice President and Chaplain Cathy Odom presiding. She introduced members of the military and their families asking them to stand and give their branch of service and other pertinent information.

Odom also introduced very special guests, members of the Enterprise High School ("EHS") JROTC. Those members present were Capt. Wallace, 2nd Lt. Stone, 2nd Lt. Swafford, Sgt. 1st Class Frey and Sgt. Smith.

At 11 a.m. a silent prayer

was offered for all military followed by a spoken prayer by Cathy Odom. The salute was given to the Christian flag; led by Donna Smith, Rucker Chapter member, followed by the singing of "How Firm a Foundation". The Pledge of Allegiance to the Flag of the United States of America was led by Hilda Allen, guest from the Thomas Randolph Thomasson 2471 Chapter of Andalusia, followed by the singing of the "Star-Spangled Banner".

Rucker Chapter Second Vice President and Secretary Patsy Stephens led the ceremony as flags were placed in a wreath of fresh greenery for each branch of service. As Sgt. Smith placed the United States flag in the wreath a special tribute was given to Enterprise native, Joshua Kaleb Watson, who lost his life at the Pensacola Air Station.

Watson had been a member of the EHS JROTC and a classmate of some of the students present. Flags

*"But I heard him exclaim, ere he drove out of sight,
HAPPY CHRISTMAS TO ALL, AND TO ALL A GOOD-NIGHT"* —Clement Clark Moore

There was a W C Fields movie released by Universal way back in 1939 named *"You Can't Cheat an Honest Man"*. We have no idea what happens in that old picture show, but the title resonated in our ole brain "Hey, there is lots of truth in those six words"!!! Of course there are exceptions but so many con games are based on the idea of us imperfect humans thinking we can get something for nothing.

A news release received this week revealed that Alabama has the seventh (7th) highest burglary rate in the nation. Most southern states were clustered in that 'most' group, along with some in the middle section of America. The surprising thing was that places like New York were on the low end of that chart. The report was not able to explain the reason for that but noted it was probably because those high-rise apartments were harder to break into than the single-family dwellings all across the rural portion of the nation. The message of the article was "lock your doors and windows".

Belinda Ordon of Elba was one happy mother last week when she learned that TWO daughters had been named 'Teacher of the Year' at their respective schools in Houston County. Both Jeneave Mitchell at Kelly Springs Elementary and Monique Flowers at Jerry Lee Faine Elementary were honored with that title last week. That could not have happened without strong parenting during their younger days and of course getting a good public education themselves . . . in Elba, Alabama. You make us proud ladies!!!

Monday morning, sometime between 5:30 and 7:30 we misplaced one of our cold weather gloves. It is still missing at this writing. Rather than being upset, this brought back a memory . . . and a hardy laugh. Our grandfather, not the newspaper publisher, but dad's dad, was a railroad man (with the old L & N). His two sons and both sons-in-law also railroaded. He retired when us grandkids were very young, so all the stories he told (and retold) we knew from memory. However, after finishing high school and going off for a 'higher' education we were working one summer for a plant foreman who, in his younger days, had railroaded with granddaddy . . . and boy did he have some humorous tales to tell! That brings us back to the missing glove. It seems that granddaddy had bought a new pair of work gloves one morning. He was directing the train as it departed the station in Montgomery later that day and grabbed onto the moving caboose as it came by. Somehow, he dropped one of his new gloves. As he watched it lying there between the train tracks get smaller and smaller as the train picked up speed, his friend and co-worker saw him toss the remaining glove back down track and with some very colorful words he really knew how to use and said loudly, 'I hope the *&%\$ who finds the first one is lucky enough to find the other one as well.' When his co-workers laughed, he explained (very practically) "Well one glove is no good without the other one." So if you see us throwing away a nice black leather glove, it is because granddaddy's genes continue to be a great influence (maybe much too great in some ways) on us all these years later. We don't use his descriptive words, but the results are about the same.

We hope your Christmas is/was a happy one that left many more great memories in your memory bank to share with others throughout your life.

From Representative Martha Roby: Sharing the joy of Christmas

The holiday season is one of the busiest times of the year, and it is easy to get caught up in all the responsibilities that come along with it.

These obligations can be quick to distract us from the true meaning behind the Christmas season. With everything happening across our country and around the world, it is inevitable that our attention is focused elsewhere.

As we gather with family and friends this year to celebrate, I pray that we do not forget the reason behind this special holiday: the birth of Jesus Christ and His message of hope in a troubled world. This powerful message rings as true today as it did centuries ago for the shepherds and watchmen who gathered to bear witness to Jesus' birth.

Although it is easy to get caught up in the stress and chaos of our promises and commitments, the nativity story and this important holiday serve as reminders that there is always a source of hope, no matter the circumstances.

Jesus lived his life on earth displaying love, kindness, and joy to all, regardless of their situation or struggles, and we are called to follow His example and do the same. Many of us are fortunate enough to celebrate in the company of our loved ones. Let's do our best to ensure that everyone in our communities enjoy the Christmas holiday by remembering those who are not as fortunate.

My thoughts are with those who are suffering: those who are battling illnesses, fighting financial struggles, or spending Christmas in the absence of loved ones. Many mothers and fathers selflessly serve in our military, and they will not be able to celebrate Christmas at home with their children. We owe

much gratitude to these devoted servicemembers for sacrificing time with their family to protect our country.

In the spirit of the holiday, I am encouraged by all those who are able to reach out to those in their community who may need a helping hand. Whether you decide to donate toys to children in need, write letters to soldiers overseas, collect food for local food banks, or bake delicious

Christmas treats for your neighbors, every heartfelt action makes a difference.

Each bit of compassion makes the world brighter. Let's spread kindness with every opportunity that comes our way. Joy is contagious, and our efforts will have a positive impact across our communities.

I am extremely honored to represent the people of the Second Congressional District in Congress. It has been a blessing to have so

many unique opportunities over the years to dedicate my efforts to serving the needs of my constituents. I hope that we will all remember to follow in Jesus' footsteps and spread joy this holiday season.

From the Roby family to yours, we hope you have enjoyed a wonderful and Merry Christmas.

**** Martha Roby represents Alabama's Second Congressional District. She lives in Montgomery, Alabama, with her husband Riley and their two children.**

Texty - 911 service - available when one cannot dial 911

The Emergency Communications Districts (ECDs) in Southeast Alabama and the Wiregrass have taken pivotal steps in providing emergency communications to citizens. 911 texting is now available to citizens in Henry, Houston, Dale, Geneva, Coffee, Covington, Crenshaw, Conecuh and Butler Counties. This means that in times citizens are not able to dial 911 they may text to 911 their emergency.

Through a strong coordinated approach to public safety, these counties and cities join local 9-1-1 centers across the nation in the use of text messaging within the 911 center. This new texting service called Texty is provided in part by the statewide 911 network being implemented by the company INdigital. Eventually, this particular texting program will be offered statewide after the full implementation of the new 911 network.

While this texting service will certainly provide a benefit to residents in certain instances, this should by no means replace dialing 911. Residents are asked to dial 911 when they can do so, and only text to 911 when a situation is present where one cannot verbally communicate.

Items of Remembrance to Share After a Loss

Honoring the deceased can come in many forms. During a wake or other commemorative service, guests may be presented with items of remembrance to honor the deceased. These items may take many different shapes or forms, but what they all have in common is that they are reminders of the loved one who has passed.

Books of Remembrance This is a book set in a common area, typically during a wake or vigil service. Guests who have come to pay respects to the deceased and grieving family may sign in and write messages, memories, or poems to commemorate the deceased.

Memorial Cards Memorial cards are a small but lasting tribute to the person who has passed. They are credit card sized items that typically have a meaningful photo and words printed on them. These cards serve as a tangible memory of the loved one. They are a convenient source of familiarity and comfort for family or friends who are mourning their loss. They are typically laminated and are included in thank you notes that the grieving family might send to those who could not attend the funeral, calling hours, wake, or vigil.

Prayer Cards As part of Catholic tradition, prayer cards, or holy cards, are small cards with devotional pictures. They generally illustrate a religious scene or saint. There is a prayer printed on the back of the card. This is done so the cardholder can recite the prayer and better cope with the loss of their loved one. Giving out these cards to guests is a common practice and part of the culture of Roman Catholicism.

When preparing to celebrate and remember the life of a loved one, consider these tokens you may present to those who have come to the funeral or wake services. In doing so, you can offer support and comfort to all who are grieving and give guests a tangible way to remember and honor the person who has passed.

“Naughty and Nice” is for always

GUEST COLUMN BY R.A. MATHEWS

Tis the Season. Every two-year-old knows what's up—the naughty and nice suffer different fates.

It's always been so. At the very first Christmas the nicest received the best gifts. Remember how the angel Gabriel, who stands in the Presence of God, comes to a virgin and tells her that God has seen her goodness. Gabriel says it not once but twice, repeatedly telling Mary that God thinks she's really nice.

“Greetings,” Gabriel says to Mary. “You who are highly favored!” (Luke 1:28)

She's frightened and Gabriel says it again.

“Mary, you have found favor with God.” (Luke 1:31)

That's when she discovers her blessing, the greatest gift of all time—Mary will give birth to the Son of God. (Luke 1:35)

Mary was very nice.

Of the nearly three billion Christians in the world, all know of Mary and the Christmas story. But how many remember the old man of Christmas? No, not Santa Claus. The story of Santa is nowhere in Scripture—Santa probably came from a wealthy 4th century man named Nicholas who gave gifts to the poor.

Scripture's old man in the Christmas story is someone entirely different. No red suit, reindeer, or presents. His name is Simeon.

Eight days after the birth of Jesus and long before the Wise Men arrive, Mary and Joseph take their newborn to the temple in Jerusalem. They have two reasons—he's their first baby and he's a male. Under God's law given to Moses in the desert some 1500 years earlier, every such baby must be presented to God with a sacrifice. (Exodus 13:2, 12, 15; Numbers 3:13)

As I just said, it's the angel Gabriel who speaks to Mary. Gabriel also speaks to Zechariah, a righteous man,

telling Zechariah that his prayers have been answered—Zechariah becomes the father of John the Baptist, six months before Christmas. And it's an angel who tells Joseph in a dream to take Mary as his wife. (Luke 1:28, 11-20; Matthew 1:20)

But now the Holy Spirit takes over the Christmas story. It's common for the Spirit to intervene in the lives of God's people. You've seen His Presence. You've said, “That was the Holy Spirit!”

The Holy Spirit is different with Simeon. Scripture tells us four things:

First, Simeon is special. “The Holy Spirit was on him.” (Luke 2:25)

Second, the Spirit has given Simeon a revelation. “It had been revealed to him by the Holy Spirit that he would not die before he had seen the Lord's Messiah.” (Luke 2:26)

Third, on this 8th day the Holy Spirit comes to Simeon and tells Simeon to go to the temple courts. (Luke 2:27)

Perhaps Simeon doesn't know why, the Bible doesn't tell us. What we do know is that Simeon eyes Mary and Joseph and apparently asks to hold their newborn. Simeon takes Baby Jesus into his arms and praises God:

“Sovereign Lord,” Simeon says, “as you have promised, you may now dismiss your servant in peace. For my eyes have seen your salvation...” (Luke 2:28-30)

But the Holy Sprit isn't done—Simeon sees the future. He blesses the parents and tells them what Jesus will do with His life. Then Simeon gives Mary the saddest of prophecies: “A sword will pierce your own soul.” (Luke 2:33-35)

Who was this old man? We only know that Simeon was righteous and devout. (Luke 2:25)

Why was he chosen?

Why did the Holy Spirit rest on him? Why was Simeon given the revelation that he would see the Messiah? Why was he led to the temple, guided to Mary and Joseph, and told the prophecy of Jesus' life?

Why?

Here's a hint. When the angels are in the fields with the shepherds, they praise God, saying:

“Glory to God in the highest, and on earth peace to those on whom his favor rests.” (Luke 2:8-14)

They don't say, “Peace to all.” They say, “Peace...on whom his favor rests.”

Why Simeon? Why Mary? Why Zechariah? Why did each receive such amazing gifts at the first Christmas?

Ask a two-year-old—the naughty and nice suffer different fates.

Those who love the Lord and seek to please Him receive God's greatest blessings.

Merry Christmas!

** Peace

People want peace. In the 1980s a retired couple was alarmed by the threat of war, so they undertook a serious study of all the inhabited places on the globe. Their goal: find the place in the world least likely to experience war, especially nuclear war.

They studied and traveled and finally found the ideal place and on Christmas they sent their pastor a card from their new home, a little known and isolated place called the Falkland Islands. But in just days their paradise became a battle zone as

Great Britain and Argentina fought for control of those islands.

The “encyclopedia of military history” by Dupuy and Dupuy lists over four thousand battles and sieges since 3,500 B.C. The most destructive wars of the twentieth century in human history! Today, armed conflicts continue to pop up on every continent on the earth except Antarctica – and people would probably be fighting there if it weren't so cold! Our world still needs peace.

Peace isn't found in a property, no matter where it's located. Peace is found in a person, Jesus Christ. Do you know Him?

Troy University receives additional grant for plastics recycling research

The National Institute of Standards and Technology awarded Troy University a \$2.7 million research grant to be used by the University's Center for Materials and Manufacturing Sciences to research new methods for recycling plastics.

The four-year grant will fund instrumentation, staffing of scientists and research stipends for students.

"The recently established Center for Materials and Manufacturing Sciences at Troy University will focus on the recycling of plastics and the development of standards for the recycled plastics," said Dr. Govind Menon, Director of TROY's School of Science and Technology. "It is evident from research, simple observation and the public attention drawn by the media that pollution by plastics is a major factor that will determine the eco-health of the planet. It is crucial that an unbiased academic center such as the CMMS exist to respond to this crisis."

This grant, which follows a \$3.2 million NIST grant in 2018, will fund research into recycling of waste polymers into new hybrid materials; using hemp fiber to reinforce plastics; and the

ESCC getting new pharmacy tech program

In Spring 2020, Enterprise State Community College will offer a new Pharmacy Technician program, providing instruction and training in one of the top four health science occupations in the local area.

Pharmacy technicians work under the supervision of a licensed pharmacist. These professionals dispense prescription drugs to patients while providing instruction on how to properly take the medication. They are also required to understand medical insurance policies, know brand and generic names of drugs and interpret prescriptions among other skills.

"A successful Pharmacy Technician should have knowledge of customer and personal service, mathematics, clerical duties, and computers and electronics," director of Workforce Development Ian Campbell said.

The number of pharmacy technician jobs are expected to grow statewide over the next few years.

The 130-hour program will begin Jan. 28, 2020. The program consists of 50 classroom hours and 80 clinical hours.

Students interested in the program should have or be pursuing a high school diploma or GED. Cost for the program, which includes textbooks is \$1,399.

Classroom hours will take place every Tuesday and Thursday beginning Jan. 28, 2020, from 6:00-9:30 p.m.

For more information or to enroll, contact Ian Campbell at icampbell@escc.edu or call (334) 347-2623 ext.

Now that another Christmas morning is in the books our grandson Lawson has to try and figure out just when he will play with the numerous toys Santa brought. My first goal will be to help him learn to ride his new bicycle, but I am sure playing his video games are much higher on the priority list. Oh well, time is what I hope we have the most of.

For what it is worth....

*** *The Elba Tigers continued* their early-season struggles last week as they lost four straight games to watch their record slip to 1-4. The Tigers play hard for all four quarters in every game and never concede defeat, but so far just can't seem to get on track on both ends of the court and haven't found their shooting touch. Unlike many other fans, I still believe the Tigers can win more than their share of games and once they get rolling will be a team no one wants to play.

*** *The Elba Lady Tigers went 4-1 last week* to improve their record to 8-4 and this week will head to Red Level for three straight days to compete in a tournament. The Lady Tigers are a little frustrated they have had to settle for second place in all three tournaments they have competed, but have gained valuable experience in all dozen games they have played, and the fact they will have 15 games under their belts before the start of the new year should pay big dividends.

*** *Brantley and New Brockton* were the only area teams to stay busy last week, and while the Bulldogs and Lady Bulldogs enjoyed a winning week, the folks over at New Brockton struggled. The Bulldogs remained undefeated with a host of impressive wins and have their fans talking about a state tournament run before area play even starts, while the Lady Bulldogs got on a roll against some very tough competition and began to settle in to their new coach and new style of play. Things are looking bright for both the boys and girls teams in Brantley! Over at New Brockton, the Gamecocks struggled to score points in a couple of losses, while the Lady Gamecocks never even came close and just have to gauge success by improvement and forget about their record.

*** *The Alabama High School Athletic Association* released its new classifications for the 2020-2022 school years and as expected Elba High moved back into the 2A ranks, despite losing eight students since moving down to 1A two years ago. The loss of students was overshadowed by a host of other 2A teams moving down to the 1A ranks, and next season in football the Tigers will compete in the region with Geneva County, Cottonwood, Houston County, Abbeville, G.W. Long, Ariton and Zion Chapel, and have added non-region games with 3A Daleville, 3A Opp and 3A Providence Christian. This move has created some new rivalries for Elba High and its fans, and the schedule looks like one of the toughest in many years!

The new classifications have created excitement all across the state as a host of teams made moves both up and down in class. In 7A, the most notable teams to move up were Dothan and Daphne, while 7A teams moving down included past 7A powers Mt. Brook, McGill-Toolen and Robert E. Lee. In the 6A ranks, new faces will include Valley, Briarwood Christian and Citronelle, while moving out were Mac Jemison, Selma and B.C. Rain. In Class 5A, new teams include UMS-Wright, Andalusia and Headland, while heading down are Vigor, Jackson and Etowah. New teams in the 4A ranks will include Geneva, Straughn and Bullock County, while former 4A's moving down include Hillcrest Evergreen, Monroe County and Trinity. In the 3A ranks, New Brockton, Goshen and Fyffe all moved up, while Clarke County, Pisgah and Lamar County all moved down a notch. In Class 2A, new faces from 1A include Elba, Laett, Isabella and St. Luke's, while those moving down to 1A included Samson, Barbour County, and Central, of Dayneville.

A few football regions that caught my eye included Class A, Region 1, where Samson slid in the place of Elba; Class A, Region 2, where Daleville, Houston Academy, New Brockton, Opp, Providence Christian, Slocomb and Wicksburg will butt heads; Class 4A, Region 2, where the family will include Alabama Christian, Ashford, Bullock County, Dale County, Geneva, Straughn and Booker T. Washington; Class 5A, Region 2, which includes Andalusia, Carroll, Charles Henderson, Greenville, Headland, Pike Road and Rehobeth; and, Class 7A, Region 2, which includes Auburn, Central Phenix City, Dothan, Enterprise, Jeff Davis, Prattville and Smiths Station.

*** *The year 2019* certainly had its ups and downs for the Mularz family, but there was never any doubt how blessed we were, and here is hoping that 2020 will bring with it joy and peace.

DEZMION ROBERSON NOW A HILLTOPPER.... Elba Tiger Dezmon Roberson made it official last week that he would continue his football career at Western Kentucky, at an official signing ceremony at the Elba High Media Center. Taking part in the ceremony were (seated) Terrell Roberson, Dezmon Roberson, Lydia Roberson, (standing, l-r) Jason Tucker, asst. principal; Johnny Dyess, asst. coach; Glen Johnson, head coach; William Moguel, asst. coach; Austin Johnson, asst. coach; Chris Moseley; Supt.; and Wynn Grimes, principal.

Roberson signs with Western Kentucky

Elba Tiger football stand-out Dezmon Roberson made his plans for his future on the gridiron official last week when he signed a scholarship to attend Western Kentucky University, in Bowling Green, Kentucky.

Roberson, rated a 3 Star recruit, is a 6-3, 200 pound, linebacker, and also drew interest from Troy, UAB, Middle Tennessee and Samford, but chose to sign with the Hilltoppers, and will report to the team in January as an early-enrollee.

"Western Kentucky is a great place and has a really good football program," stated Roberson. "It is

family oriented and that was what I was looking for in a football team and a college. I really like their coaching staff. Coach (Tyson) Helton is the head coach and he seems more like a father than just a head coach. His goal is to teach you to develop into the man you will be for the rest of your life and not just as a football player. The campus is lovely, the town is not too big, and I really feel like I won't be leaving home. It reminds me of Elba, and that is good."

Elba Tiger coach Glen Johnson stated, "Dez was a tremendous high school football player and will be a

solid player at the next level. He is a great kid and a hard worker, and that will help carry him to success in college. He has been a leader for our program both on and off the field, and was like a coach on the field and made all the calls on defense. He is a relentless defender and loves the game."

Roberson led the Tigers as a senior with 149 tackles, including 62 solo tackles, seven tackles for losses, six quarterback sacks, one interception returned for a touchdown, and also had a tackle for a safety. As a wide receiver, he caught 10 passes for 215 yards and five touch-

downs.

Western Kentucky is a member of Conference USA and this season posted an 8-4 record, 6-2 in the conference, and earned a berth in the ServPro First Responders Bowl. Coach Tyson Helton was named the conference 'Coach of the Year,' and in the early signing period the Hilltoppers signed 15 players, including 9 early enrollees, 9 high school players, 6 junior college players, and signed players from 10 different states.

Next season's schedule includes games against Louisville, UAB, Army, Arkansas and Southern Miss.

Elba Tigers struggle through winless week

The Elba Tigers continue their early-season struggles last week as they hit the basketball court four times and failed to post a win as their record slipped to 1-4.

Following are highlights of the four games:

Zion Chapel 43 Elba 42

The Elba Tigers watched a 17-point second half lead evaporate in a disappointing 43-42 loss to the Zion Chapel Rebels, last Monday night at Zion Chapel.

The Tigers came out ready to play against their cross county rivals and behind the play of John Martin Wilson and Chrystyle Caldwell bolted out to a 9-0 lead with 2:09 left in the opening stanza. The Rebels finally got on the scoreboard with 1:33 remaining on a basket by Connor Kelley, but the Tigers never lost command and carried a 12-4 lead into the second quarter after a late 3-pointer from deep in the corner by Collin Harrison.

Elba opened the second quarter with a 7-2 run to stretch its lead to 19-6, and upped its lead to 22-8 with 3:32 left in the quarter when Harrison again connected from behind the arc. Zion Chapel's Brady Cobb hit four free throws late in the quarter to keep the Rebels alive. However, Elba's Brandon Epps scored late as

the Tigers went in at intermission with a 28-14 lead.

The Rebels scored the first three points of the third quarter to pull within eleven points at 28-17, but the Tigers came right back and led by the play of Chrystyle Caldwell opened up their biggest lead of the game at 34-17 with 5:04 left in the period. Zion Chapel again bounced back and after baskets by Brockston Bragg and Michael McDaniel cut the Elba lead to 34-21, and after a late free throw by McDaniel was within 35-24 heading into the final stanza.

Zion Chapel's Connor Kelley and Bryce Watson led a Rebel rally early in the fourth quarter that cut the Tigers lead to 35-30 with 6:10 left on the clock, and the Rebels got within 36-34 with 3:32 remaining after Elba misfired on four straight free throw chances. The Tigers regained the lead at 42-40 with 39-seconds left after a free throw by John Martin Wilson and a three-point play by Chrystyle Caldwell, but the Rebels refused to quit and pulled out the win when Brady Cobb scored with 30-seconds left and then hit a free throw with only two ticks left on the clock to give the Rebels the improbable 43-42 win.

Luverne stretched its lead to 17-8 with 2:01 left, but the Tigers rallied late behind the play of Chrystyle Caldwell and trailed only 18-15 heading into the second quarter.

The teams swapped baskets for much of the second quarter as Luverne was never able to extend its lead to more than seven points, and JT Coleman sparked a late Elba rally as the Tigers closed the quarter with a 10-2 run to carry a 33-32 lead in at the half.

Luverne picked up the pace in the third quarter and opened the stanza with a 10-0 run to open up a 42-33 lead, but the Tigers refused to throw in the towel and battled back as Byron Burks and Chrystyle Caldwell sparked a late Elba rally to cut the Luverne lead to 48-45.

Improve record to 8-4

Lady Tigers enjoy a winning week

The Elba Lady Tigers enjoyed a busy week on the basketball court and improved their record to 8-4 as they posted four wins against only one loss.

Following are highlights of the five games:

Elba 44 Zion Chapel 11

The Elba Lady Tigers tipped off the busy week of action with a Monday night cross county showdown against Zion Chapel and overcame a slow start to ambush the Lady Rebels 44-11, at Zion Chapel.

The score was tied at 2-2 early in the opening quarter and the Lady Rebels trailed only 8-5 heading into the second quarter after a late 3-pointer by Kaylin McAllister. However, the Lady Tigers came out determined to take command in the second quarter, and led by the play of Melissa Williams quickly stretched their lead to 13-5. Back to back 3-pointers by Elba's Melissa Williams and Nina Williams enabled the Lady Tigers to open up a 19-8 lead with 1:16 left in the stanza, and the Lady Tigers carried a 19-9 lead in at intermission.

Elba was determined to get the ball inside in the third quarter and did just that as Jaylen Baker scored 8 straight points to push the Lady Tigers lead to 27-9 with 3:46 left in the stanza. Elba's defensive pressure held the Lady Rebels scoreless in the third quarter and for one minute in the final stanza until Alanah Bunce scored on a driving lay up, and the Lady Tigers never lost command as they went up 42-11 on a 3-pointer by Celeste Edwards and with a running clock rolled to the big 44-11 win.

Jaylen Baker scored 14 points and Melissa Williams added 8 to lead Elba, while Janna Miles led the Lady Rebels with 5 points.

Elba (44): Sanders 2, N. Williams 5, Hooks 3, M. Williams 8, U. Chism 3, Baker 14, Hammonds 1, Caldwell 2, A. Chism 1, Edwards 3, Siler 2.

Elba 55 Luverne 40

The Elba Lady Tigers staged a second quarter rally to take the lead and held on to defeat Luverne 55-40, last Tuesday night in Elba.

Elba scored only two points in the games initial five minutes and trailed 8-2 when Elba's Melissa Williams scored to cut the lead to 8-4, but Luverne quickly extended its lead to 13-6 and carried a 13-7 lead into the second quarter after the Lady Tigers misfired on 4 of 5 free throw tries in the closing seconds.

Luverne's lead grew to 15-7 early in the second quarter. However, the Lady Tigers suddenly came to life and sparked by the play of Jaylen Baker went on a 9-0 run to sneak ahead 16-15 with 3:01 left in the quarter. Luverne regained the lead at 17-16, but a 3-pointer by Nina Williams ignited a 5-0 run that pushed the Lady Tigers lead to 21-17 with 1:22 left, and at the half the Lady Tigers went in with a 24-21 advantage.

Elba mayor hands out service awards at Christmas lunch

The City of Elba and Elba Water and Electric Board hosted a Christmas lunch Tuesday, Dec. 17, for all employees as a way of saying "thank you" to the employees for their dedicated service to the city this year, as well as, a celebration of the holiday.

Mayor Mickey Murdock addressed the employees, and specifically thanked them for all the hard work they had done during his time as mayor. He said he does not plan to seek re-election in 2020 as mayor, but said he is very proud of the many things the city has accomplished during his time as Mayor of Elba.

Murdock said when he first accepted the job as mayor, two major things he heard from citizens was a need to improve the city's finances and improve the city's beauty and image. He said he feels both of these things have been accomplished during his time as mayor, and he thanked the employees for their dedicated service in helping achieve those goals. Murdock also noted that several major projects will be ongoing in 2020, but when those projects are completed, he said Elba's infrastructure will be good. He said a good infrastructure is imperative for the city's growth.

Also during the luncheon, the mayor presented several service awards to employees. These awards are presented to employees on a 5-year basis. There were six awards total presented: two 5-Year awards, two 10-Year awards, and two 20-Year awards. Photos of these award recipients are show below and to the right. The announcement of Cox as interim president came from Alabama Community College System (ACCS) Chancellor Jimmy Baker, who said Cox's wealth of experience and innovative ideas will be a great value to LBWCC.

Cox has more than 24 years of higher education administration experience, most previously serving as ACCS executive director of Workforce Solutions and Innovations. He earned a Bachelor of Science degree in social science from Troy State University, a Master of Science in educational administration from Alabama State University, and a Doctorate of Philosophy in educational administration from Auburn University.

The welcome reception, funded by the LBWCC Foundation, is an opportunity for the public to meet Cox as he steps into LBWCC's lead role.

"Foundation board members and the LBWCC Executive Council invite the community to a reception to get to know Dr. Cox and welcome him to the College," said Dr. Arlene Davis, associate dean of institutional advancement.
